Most importantly...

Your agency will be apart of our TOUCHPOINT program where you will be assigned a Chris-Leef Advisor (CLA). Your CLA underwriter will visit quarterly to discuss renewal retention, new business, overall production goals and planning. In addition, your CLA is also in charge of ensuring you are provided with a higher level of care that goes above and beyond our standard level of service. The TOUCHPOINT program is that extra personal touch that provides added attention to our agents and is just one more thing that sets Chris-Leef apart from the rest!
